Lun, I they tell me
comes from Phil'a
an Envelope with a
Liberty Bell & the Bible
motto. Copy-righted. I need
a few hundred, on Stout
Paper as that they could
be afforded at a quite
low price. Do you know
of the Envelope? & could

Kindly add me
Some — for suit my
purpose, they must
have on the back, the
Enclosed Memorial on one
half & the A.S. Memorial

the folded back, in somewhat
fine type, so that they
will not look crowded.

(oval) as, better than

Perhaps I am mistaken in supposing you know something about this envelope? If not, pray take no great trouble to search.

On second thoughts, if I may, let me beg of you the favour to let me know if this envelope did indeed, as I suppose, come from the Post

a.s. offer, what the cost for hundred will be, & after that I will send on the forms to be printed on the back. one will be the Jefferson one I sent you the other day, & the other One A.S one, as per Lit. with a correction or two which Sammy has since made.
